

Sathwik Neela

Graphic Designer | Video Editor | AI Prompt Engineer

+91-91107 07247 | Sathwik.neela@gmail.com | Hyderabad, Telangana

PROFESSIONAL SUMMARY

Creative and results-driven Graphic Designer, Cinematic Video Editor, and AI Prompt Engineer with 4+ years of hands-on experience in brand identity design, digital marketing, and cinematic video production. Proven expertise in delivering high-impact visual solutions for B2B and B2C audiences. Proficient in Adobe Creative Suite (Photoshop, Illustrator, Premiere Pro, After Effects) and advanced AI design tools including ChatGPT, Midjourney, and Stable Diffusion — with deep expertise in crafting precise, effective prompts to generate production-ready visual assets. Strong track record of creating engaging social media content, commercial videos, and brand assets that drive measurable business results.

WORK EXPERIENCE

Graphic Designer

February 2026 – Present

Aim-UnitedGlobal | Hyderabad, Telangana

- Creating high-quality visual content and digital designs tailored to diverse client needs and business objectives.
- Developing brand-consistent design solutions including social media assets, marketing collateral, and promotional materials.

Graphic Designer

August 2022 – January 2026

Flick Maps Private LTD | Hyderabad, Telangana

- Designed and developed comprehensive mapping projects and visual assets exclusively for North American enterprise clients, ensuring accuracy and brand compliance.
- Created precision vector graphics and photographic designs using Adobe Photoshop and Illustrator, delivering 100+ high-quality assets annually.
- Collaborated with international stakeholders to understand project requirements and deliver solutions within tight deadlines.

Video Editor

July 2021 – March 2022

Anagha Career Solutions | Hyderabad, Telangana

- Edited and produced 50+ professional interview videos, promotional reels, and branded content for corporate and educational clientele.
- Delivered compelling video narratives with seamless transitions, color correction, and sound design using Adobe Premiere Pro.
- Ensured 100% on-time project delivery while maintaining the highest quality standards and brand consistency.

Graphic Designer

December 2019 – May 2020

Digital Brandlance | Remote

- Designed and delivered 75+ marketing collateral assets including brand identities, social media graphics, and video advertisements for diverse clientele.
- Managed end-to-end client projects from conceptualization to final delivery, ensuring brand consistency and client satisfaction.
- Achieved 95% client retention rate through exceptional design quality and proactive communication.
